

Part Number: **AA-GNVT**

Description: **GROVE Hook & Loop Tape**

The Grove Hook & Loop Tape provides a convenient and easy solution for maintaining tidy cable runs. This versatile tape is an excellent tool for bundling and organizing cables, ensuring a neat and streamlined appearance. Elevate your cable management with the Grove Hook & Loop Tape, offering a practical and efficient solution for keeping your cables organized.

Convenient Cable Management:

Provides a convenient and easy solution for managing cables, reducing clutter, and maintaining organized cable runs.

Versatile Size:

The tape offers versatility in bundling cables of various sizes and lengths.

Hook & Loop Design:

Features a hook and loop design, allowing for secure and adjustable bundling. This design enables easy repositioning and reuse.

Neat and Streamlined Appearance:

Enhances the visual aesthetics of cable installations, contributing to a clean and organized overall appearance.

Durable Construction:

Constructed with durable materials, ensuring longevity and reliable performance in cable organization tasks.

Ideal for Various Environments:

Suitable for use in diverse environments, including offices, homes, data centers, and other settings where cable management is essential.
